

FOR IMMEDIATE RELEASE

Taste of Buckhead Celebrates 21 Years with a Hollywood Glam Evening at Grand Hyatt Atlanta in Buckhead

Atlanta's signature tasting experience returns October 23 with exceptional food, distinctive beverages, entertainment, and a celebration of Buckhead's culinary community

ATLANTA, Ga. — August 13, 2026 — Taste of Buckhead marks its 21st year on Friday, October 23, 2026, when Atlanta's premier tasting experience returns to the Grand Hyatt Atlanta in Buckhead. Guests will sample signature dishes and drinks from across the neighborhood, watch live chef demonstrations, and slip away to a VIP speakeasy for hands-on mixology sessions as the community comes together to celebrate the best of Buckhead.

This year the evening turns back the clock with an Old Hollywood Glam theme, drawing on the glamour of its many eras and on the long history of Buckhead's dining scene. Guests are encouraged to dress the part for a night celebrating the restaurants, chefs, beverages and hospitality that have made the neighborhood one of Atlanta's defining dining destinations.

"Twenty-one years is an incredible milestone for Taste of Buckhead and for the community that has embraced this event for more than two decades. What makes Taste of Buckhead special is the way it brings our restaurants, businesses, partners, and neighbors together to celebrate the very best of Buckhead. As we enter this next chapter, we're excited to introduce new event experiences while maintaining longtime traditions rooted in the connections and sense of community that have made it successful." Charles Ritter III, Immediate-Past President, Buckhead Business Association.
